ANNUAL INDEX

Health & Social Work

Vol. 36, Nos. 1–4, February 2011–November 2011

The following abbreviations are used: Feb. for February, Aug. for August, Nov. for November, E for Editorial, NHL for National Health Line, PF for Practice Forum, and Vpt for Viewpoint.

SUBJECT AND TITLE INDEX

Acceptance and Commitment Therapy for Psychological and Physiological Illnesses: A Systematic Review for Social Workers, by Katherine L. Montgomery, Johnny S. Kim, and Cynthia Franklin, Aug. 169–181

Accessibility of services. *See* **Service accessibility**

Accountability Care Organizations: Opportunities for Social Workers (E), by Sara S. Bachman, Nov. 245–247

Adherence to Medication Regimens among Low-Income Patients with Multiple Comorbid Chronic Conditions, by Shiraz I. Mishra, Deborah Gioia, Saltanat Childress, Beth Barnet, and Ramothea L. Webster, Nov. 249–258

Adolescents. *See* **Children and adolescents**

Advancing HIV/AIDS Domestic Agenda: Social Work and Community Health Workers Unite (NHL), by Darrell P. Wheeler, May 157–158

The Affordable Care Act: Background and Analysis (E), by Stephen H. Gorin, May 83–86

Appreciative inquiry
- facilitation of recovery model in mental health agencies, Nov. 259–266

Baby boomer generation. *See* **Older adults**

Behaviors
- adherence to medication regimens among low-income patients, Nov. 249–258
- financial circumstances and patient health status, May 129–137
- HIV risk factors in adolescents in foster care, Feb. 33–43

Cancer
- breast cancer screening intervention, Feb. 55–65
- screening of distress in oncology outpatient setting, Nov. 293–297

Cardiovascular diseases
- depression among veterans with, May 109–119
- poststroke depression among couples, May 139–148

Care coordination. *See* **Collaborative health care; Service delivery models**

Children and adolescents
- family-centered care for special health care needs, Nov. 281–290
- HIV sexual risk behavior predictors, Feb. 33–43
- sexual minority youth health needs and barriers to services, Aug. 197–206
- state tax code progressivity and health outcomes of, Aug. 207–215

Chronic conditions. *See also* **Cardiovascular diseases**
- lupus and social workers' role in, Nov. 269–278
- medication management among low-income patients with multimorbidities, Nov. 249–258

Cigarettes. *See* **Tobacco use**

Collaborative health care
- medication therapy management and, Feb. 69–73
- multimorbidity and persistent depression among veterans, May 109–119
- person-centered planning and decision making, Aug. 233–235

Commitment of Licensed Social Workers to Aging Practice, by Kelsey Simons, Robin Bonifas, and Denise Gammonley, Aug. 183–195

Community health workers
- domestic agenda for social work and, May 157–158

Comorbidity. *See* **Multimorbidity**

Comparing Health and Mental Health Needs, Service Use, and Barriers to Services among Sexual Minority Youths and Their Peers, by Kelly A. Williams and Mimi V. Chapman, Aug. 197–206

A Comprehensive Analysis of the Quality of Online Health-Related Information Regarding Schizophrenia, by Joseph Guada and Victoria Venable, Feb. 45–53

Consumer resources. *See also* **Health information and promotion**
- quality of online information about schizophrenia, Feb. 45–53

Contextual Influences on Women's Health Concerns and Attitudes toward Menopause, by Judy R. Strauss, May 121–127

Coordination, Integration, and Collaboration: A Clear Path for Social Work in Health Care Reform (Vpt), by Robyn L. Golden, Aug. 227–228

Couples
- poststroke depression among, May 139–148

Cultural competence. *See also* **LGBTQ population**
- medication management of low-income patients, Nov. 249–258
- Mexican-heritage mothers in the Southwest, Feb. 7–18
- native Hawaiian women in rural churches, Feb. 55–65

Cumulative Adverse Financial Circumstances: Associations with Patient Health Status and Behaviors, by Joanna Bisgaier and Karin V. Rhodes, May 129–137

Depression
- among Mexican-heritage mothers in the Southwest, Feb. 7–18
- among veterans with chronic health conditions, May 109–119
- in couples who have experienced a stroke, May 139–148

Diabetes
- multimorbidity and persistent depression among veterans, May 109–119

Disease management. *See also* **Chronic conditions**

CCC Code: 0360-7283/11 $3.00 ©2011 National Association of Social Workers

medication management among low-income patients with multimorbidities, Nov. 249–258
Disparities
in breast cancer screening intervention, Feb. 55–65
LGBTQ capacity building in health care systems, Nov. 307–309
medication management of low-income patients, Nov. 249–258
sexual minority youth health needs and barriers to services, Aug. 197–206
tax code progressivity and children's health outcomes, Aug. 207–215
Distress
oncology outpatient setting and screening of, Nov. 293–297

Ecological perspective
HIV/AIDS interventions in an aging population, May 149–156
Emergency department patients
financial circumstances and patient health status, May 129–137
Empowerment
facilitation of recovery model in mental health agencies, Nov. 259–266
person-centered planning and decision making, Aug. 233–235

Family-centered care
for children with special health care needs, Nov. 281–290
Feasibility studies
in breast cancer screening intervention, Feb. 55–65
Financial well-being. *See also* **Low-income patients**
and associations with patient health status and behaviors, May 129–137
threats to Medicare, Medicaid, and Social Security, Aug. 165–167
Foster care
HIV sexual risk behavior predictors among adolescents in, Feb. 33–43

Gerontology. *See* **Older adults**

Hawaiian women
breast cancer screening intervention for, Feb. 55–65
Head injury, mild. *See* **Traumatic brain injury, mild**
Health care reform
accountability care organizations, Nov. 245–247
Affordable Care Act analysis and replacement, Feb. 3–5, May 83–86
implications of, Aug. 229–230
person-centered planning and decision making, Aug. 233–235
public utilities and public health, Feb. 75–77
social work's role in, Aug. 227–228, Aug. 231–232
Health information and promotion
health literacy and social work leadership, May 99–107
HIV/AIDS interventions in an aging population, May 149–156
lupus and social workers' role in, Nov. 269–278
post-tobacco master settlement agreement and practice implications, Aug. 217–224
quality of online information about schizophrenia, Feb. 45–53
sexual minority youth health needs and barriers to services, Aug. 197–206
Health insurance. *See also* **Health care reform; Medicare/Medicaid**
state tax code progressivity and children's health outcomes, Aug. 207–215

Hispanics. *See* **Latina women**
HIV/AIDS
domestic agenda for social work and community health workers, May 157–158
interventions in an aging population, May 149–156
risk factors among Puerto Rican women, May 87–97
risk factors in adolescents in foster care, Feb. 33–43
HIV/AIDS Interventions in an Aging U.S. Population, by Stephanie A. Jacobson, May 149–156
Homosexuality. *See* **LGBTQ population**
Hopelessness, Family Stress, and Depression among Mexican-Heritage Mothers in the Southwest, by Flavio F. Marsiglia, Stephen Kulis, Hilda Garcia Perez, and Monica Bermudez-Parsai, Feb. 7–18
How Can Social Work Affect Health Care Reform? (Vpt), by James R. Zabora, Aug. 231–232

Impact of the Level of State Tax Code Progressivity on Children's Health Outcomes, by Laura Brierton Granruth and Joseph J. Shields, Aug. 207–215
Implications of Health Care Reform (Vpt), by Asua Ofosu, Aug. 229–230
Infant mortality
state tax code progressivity and children's health outcomes, Aug. 207–215
International Classification of Functioning, Disability, and Health (ICF)
social work practice and, Nov. 303–305
Internet health coaching
health literacy and social work leadership, May 99–107

Latina women
depression and hopelessness among, Feb. 7–18
HIV and violence sexual risk factors among, May 87–97
LGBTQ Capacity Building in Health Care Systems: A Social Work Imperative (NHL), by Darrell P. Wheeler and Sarah-Jane Dodd, Nov. 307–309
LGBTQ population
capacity building in health care systems, Nov. 307–309
sexual minority youth health needs and barriers to services, Aug. 197–206
The Lived Experiences of Tobacco Use, Dependence, and Cessation: Insights and Perspectives of People with Mental Illness, by Erica Singer Solway, Feb. 19–32
Longitudinal study
women's health concerns and attitudes toward menopause, May 121–127
Low-income patients. *See also* **Medicare/Medicaid**
medication management of multimorbidities, Nov. 249–258
Lupus
social workers' role in, Nov. 269–278

Master Settlement Agreement
post-tobacco master settlement agreement and practice implications, Aug. 217–224
Medicare/Medicaid
threats to, Aug. 165–167
Medication management
among low-income patients with multiple chronic conditions, Nov. 249–258
collaborative health care and, Feb. 69–73
Medication Therapy Management and Collaborative Health Care: Implications for Social Work Practice (PF), by Connie Rust and Cindy Davis, Feb. 69–73
Menopause. *See also* **Women's health**
women's health concerns and attitudes toward, May 121–127
Mental health agencies
appreciative inquiry and facilitation of recovery model in, Nov. 259–266
Mental health and mental illness. *See also* **Distress**
as HIV sexual risk predictor in adolescents, Feb. 33–43
lupus and social workers' role in health care, Nov. 269–278
quality of online information about schizophrenia, Feb. 45–53
sexual minority youth health needs and barriers to services, Aug. 197–206
tobacco use and cessation and, Feb. 19–32
Mild Traumatic Brain Injury: A Silent Epidemic in Our Practices (PF), by Page Walker Buck, Nov. 299–302
Mindfulness therapy
for psychological and physiological illnesses, Aug. 169–181
Mortality. *See* **Infant mortality**
Multimorbidity
medication management among low-income patients with, Nov. 249–258
and persistent depression among veterans, May 109–119
Multimorbidity and Persistent Depression among Veterans with Diabetes, Heart Disease, and Hypertension, by Patricia Findley, Chan Shen, and Usha Sambamoorthi, May 109–119

The New Threat to Medicare, Medicaid, and Social Security (E), by Stephen H. Gorin, Aug. 165–167

Older adults
commitment of social workers to practice with, Aug. 183–195
HIV/AIDS interventions in an aging population, May 149–156
women's health concerns and attitudes toward menopause, May 121–127
Online health information. *See* **Health information and promotion**
Organizational change. *See also* **Health care reform**
facilitation of recovery model in mental health agencies, Nov. 259–266

Parent and Health Care Professional Perspectives on Family-centered Care for Children with Special Health Care Needs: Are We on the Same Page?, by Melissa H. Bellin, Philip Osteen, Caitlin Heffernan, Judy M. Levy, and Mary E. Snyder-Vogel, Nov. 281–290

Patient navigation
health literacy and social work leadership, May 99–107
Person-centered Planning and Participant Decision Making (Vpt), by Kevin J. Mahoney, Aug. 233–235
Policies. *See also* **State policies**

Resources. *See* **Consumer resources**
Retention. *See* **Professionalism**

Schizophrenia. *See also* **Mental health and mental illness**
quality of online information about, Feb. 45–53
Screening interventions
for breast cancer, Feb. 55–65
for distress in oncology outpatient setting, Nov. 293–297
for financial circumstances and health status, May 129–137
Service accessibility. *See also* **Health care reform**
sexual minority youth health needs and barriers to services, Aug. 197–206
Service delivery models. *See also* **Collaborative health care**
facilitation of recovery model in mental health agencies, Nov. 259–266
family-centered care for special health care needs, Nov. 281–290
HIV/AIDS interventions in an aging population, May 149–156
person-centered planning and decision making, Aug. 233–235
Sexuality. *See also* **LGBTQ population**
HIV and violence sexual risk factors among Puerto Rican women, May 87–97
HIV sexual risk behavior predictors among adolescents, Feb. 33–43
sexual minority youth health needs and barriers to services, Aug. 197–206
Sexual Risk Factors for HIV and Violence among Puerto Rican Women in New York City, by Claudia L. Moreno, Allison C. Morrill, and Nabila El-Bassel, May 87–97
Smoking cessation
among people with mental illness, Feb. 19–32

post-tobacco master settlement agreement and practice implications, Aug. 217–224
Social health risk screening
financial circumstances and patient health status, May 129–137
Social Security
threats to, Aug. 165–167
Social workers' roles
domestic agenda for social work and community health workers, May 157–158
poststroke depression among couples, May 139–148
Social work leadership
health literacy for consumers and, May 99–107
Social work practice
acceptance and commitment therapy for psychological and physiological illnesses, Aug. 169–181
accountability care organizations, Nov. 245–247
ICF and, Nov. 303–305
medication management and collaborative health care, Feb. 69–73
mild traumatic brain injury, Nov. 299–302
outpatient oncology setting, Nov. 293–297
post-tobacco master settlement agreement and practice implications, Aug. 217–224
Special health care needs
parent and health care professional perspectives on family-centered care, Nov. 281–290
State policies
tax code progressivity and children's health outcomes, Aug. 207–215
Strokes. *See* **Cardiovascular diseases**
Structural equation modeling
lupus and social workers' role in health care, Nov. 269–278
Substance use. *See also* **Tobacco use**
as HIV sexual risk predictor in adolescents, Feb. 33–43
Substance Use and Mental Health Problems as Predictors of HIV Sexual Risk Behaviors among Adolescents in Foster Care, by Ronald G. Thompson Jr. and Wendy F. Auslander, Feb. 33–43
Systematic review
acceptance and commitment therapy for psychological and physiological illnesses, Aug. 169–181

Taxes
tax code progressivity and children's health outcomes, Aug. 207–215
Testing the Feasibility of a Culturally Tailored Breast Cancer Screening Intervention with Native Hawaiian Women in Rural Churches, by Lana Sue I. Ka'opua, Soon H. Park, Margaret E. Ward, and Kathryn L. Braun, Feb. 55–65
Tobacco use
among people with mental illness, Feb. 19–32
post-tobacco master settlement agreement and practice implications, Aug. 217–224
Training
commitment of social workers to practice with older adults, Aug. 183–195
lupus and social workers' role in health care, Nov. 269–278
Traumatic brain injury, mild
as a silent epidemic, Nov. 299–302
Use of Distress Thermometers in an Outpatient Oncology Setting (PF), by Glenn W. Frost, Michael A. Zevon, Marcia Gruber, and Rosa A. Scrivani, Nov. 293–297
Using Appreciative Inquiry to Facilitate Implementation of the Recovery Model in Mental Health Agencies, by Laurene Clossey, Kevin Mehnert, and Sara Silva, Nov. 259–266
Using the International Classification of Functioning, Disability, and Health in Social Work Settings (PF), by Patricia Welch Saleeby, Nov. 303–305

Veterans
multimorbidity and persistent depression among, May 109–119
Violence, domestic
risk factors among Puerto Rican women, May 87–97

What Social Workers in Health Care Should Know about Lupus: A Structural Equation Model, by Charles Auerbach and Nancy L. Beckerman, Nov. 269–278
Women's health
attitudes and concerns about menopause, May 121–127
breast cancer screening intervention, Feb. 55–65
depression and hopelessness among mothers, Feb. 7–18
HIV and violence sexual risk factors among women, May 87–97
Workforce research
commitment of social workers to practice with older adults, Aug. 183–195

Youths. *See* **Adolescents**
